

Surge suppressor, Interference suppression diode with LED, 24...70 V DC, for contactor relays and motor contactors Size S00

| General technical data                        |    |                           |
|---|----|---------------------------|
| product brand name                            |    | SIRIUS                    |
| product designation                           |    | surge suppressor          |
| size of contactor                             |    | S00                       |
| design of the surge suppressor                |    | diode                     |
| ambient temperature                           |    |                           |
| • during storage                              | °C | -40 ... +80               |
| • during operation                            | °C | -25 ... +60               |
| Control circuit/ Control                      |    |                           |
| type of voltage of the control supply voltage |    | DC                        |
| control supply voltage 1                      |    |                           |
| • at DC                                       | V  | 24 ... 70                 |
| Installation/ mounting/ dimensions            |    |                           |
| mounting position                             |    | any                       |
| fastening method                              |    | clip-on                   |
| width   | mm | 28                        |
| height  | mm | 46                        |
| depth   | mm | 9                         |
| Certificates/ approvals                       |    |                           |
| certificate of suitability                    |    | CE / UL / CSA             |
| General Product Approval                      |    | EMC                       |
